

Response to Questions

Q1. Are there SPECIFIC classes the court needs quotes for or are you looking for a general/blanket price for the topics?

A1. Submit a representative subset of your training courses that will serve to highlight the range and specialties as a training provider.

Q2. "The class materials should be available via online video access after the class end date for a specified amount of time". Please clarify above request and confirm if what you are looking for.

- a) Is it that classes are video recorded and made available after the class for a period of time?
- b) Are you looking for books in PDF?
- c) Will the books available in PDF suffice for this request - to have access to training materials after the class for a period of time?
- d) If we are not able to provide recorded sessions, what would happen? Are we disqualified or just not receive those points at evaluation time?
- e) Does this bid require us to be incorporated in the state of California at this time?

A2. This is referring to online classes.

- a) No
- b) No
- c) Yes
- d) Recording not required
- e) No
