

Superior Court of California
County of Ventura

NOTICE REGARDING PUBLIC ACCESS TO NON-CONFIDENTIAL PROBATE ACCOUNTINGS

EFFECTIVE JUNE 1, 2023

Under California Rules of Court, rule 1.201(b), the responsibility for excluding or redacting confidential identifying information (i.e., social security number and financial account number) from pleadings and other papers filed with the Court “rests solely with the parties and their attorneys.” The Court’s clerks are not obligated to review papers to confirm that social security numbers or financial account numbers are redacted. (*Ibid.*)

The Court began filing documents in the eCourt case management system - including non-confidential Probate accountings- on March 20, 2023. Beginning June 1, 2023, all accountings and supporting documents filed in non-confidential Probate cases filed on or after March 20, 2023, will be publicly viewable on the Court’s new eCourt case management system public access portal.
